UNIVERSITY OF TORONTO.

SUMMER SESSION 1917.

Announcement.

COURSES LEADING TO—

(a) Degree of Bachelor of Arts.

*(b) Admission to the Normal Schools (Middle School), Part A.

*(c) Admission to the Faculties of Education (Upper School), Parts A and B.

*(d) Elementary Household Science Certificates.

*(e) Elementary and Intermediate Manual Training Certificates.

*(f) Elementary Commercial and Commercial Specialist Certificates.

*(g) Elementary Vocal Music Certificates and Supervisors' Certificates.

*(h) Elementary, Supervisors' and Specialists' Physical Culture Certificates.

(i) First Class Public School and High School Assistants' Certificates.

(j) Special Examination for Certificates as Public School Inspectors.

In addition to the above Courses there will be a Special Course in French pronunciation and conversation.

Courses marked (*) are provided by the Department of Education in co-operation with the University of Toronto.

GENERAL INFORMATION.

Session.

Enrolment with the Instructors will begin at 9 A.M., Tuesday, July 3rd and must be completed by 5 o'clock the same day. The work of instruction will begin on the morning of Wednesday, July 4th and continue through Friday, August 3rd. The examinations in Arts will take place at the time of the regular University Examinations in September and May. The examinations in the First Class Public School, High School Assistants', and Inspectors' Courses are held in May. The examinations in the Courses provided by the Department of Education will take place at the close of the Summer Session.

Registration.

Application for registration in the B.A. Course and in the Courses for First Class Public School and High School Assistants' and Public School Inspectors' Certificates should be made on the form in this Calendar and should be forwarded to the Secretary of the University Extension Committee before **May 1st.** Application for registration in the other Courses should be made on forms provided by the Department of Education.

Admission.

As entrance qualifications to the B.A. Course, students should present the certificates in their possession. Holders of Faculty Entrance or equivalent certificates are eligible to enter the Second Year General Course. Information as to the requirements for admission to the Course for First Class Public School, High School Assistants' and Public School Inspectors' Certificates may be obtained from the Faculty of Education, Toronto. Qualifications for admission to the other Courses will be found in the Summer Session Syllabus issued by the Department of Education.

Boarding Accommodation.

Queen's Hall, No's. 7, 9, 4, and 185 College Street will be open for the accommodation of women students of the Summer Session. Meals will be served in No. 7 Queen's Hall for the accommodation of all women in Residence. Room and board will be at the rate of $6.25 per week.

Applications should be in the hands of the Secretary of University Extension by June 1st. Applicants who withdraw after June 15th shall forfeit $1.00 of the deposit fee.

At present, no definite announcement can be made for men students. If, however, a sufficient number apply before June 1st, arrangements may be made for rooms in one of the Residential Colleges.

A list of approved boarding houses, within a convenient distance from the University, may be obtained from the Secretary of the Extension Committee.

Fees.

1. Course leading to the Degree in Arts.

TUITION.—One subject $10.00; two subjects $18.00; three subjects $20.00. Practical work in First Year Physics $4.00.

EXAMINATIONS $2.00 a subject.

AD EUNDEM STATUM—

For admission by certificate to second year	$15.00
For admission ad eundem statum	10.00

LABORATORY.—For Practical Work in the laboratory a deposit fee is required at the beginning of the Session to cover breakages. All, or part, of the fee is returned at the close of the term according to the number and value of the breakages.

2. Courses for First Class Public School, High School Assistants' and Inspectors' Certificates. Tuition fee $10.00.

3. Other Courses—

TUITION.—Teachers holding professional certificates and actually and regularly engaged in teaching in schools of the Provincial System are exempt from tuition fees.

Other students duly admitted to a Course shall pay upon registration a fee of $10.00.

For further particulars see the Summer Session Calendar of the Department of Education.

EXAMINATIONS.—No fees are charged for the examinations conducted by the staffs.

For the examinations conducted by the Department of Education, the following is the schedule of fees:—

(a) Normal Entrance, Part A, $3.00.

(b) Faculty Entrance, Parts A and B, each $3.00.

(c) Commercial Subjects, Part I or Part II, $6.00; Parts I and II, $10.00.

FACULTY OF ARTS.

I. General Course.

First Year.

English, Latin, French, Physics or Biology, Mathematics (Algebra and Geometry), Trigonometry.

English, Algebra, Geometry and Trigonometry are offered at the Summer Session of 1917. The remaining subjects will be given at the Summer Session of 1918.

Second Year.

English, Latin, French, History, Physics, Biology.

Of these subjects Latin, History, Biology will be offered at the Summer Session of 1917. English, French and Physics will be given at the Summer Session of 1918.

Third Year.

English, History, Political Economy, Chemistry, Geology and Mineralogy.

English, Political Economy and Chemistry will be offered at the Summer Session, 1918.

Fourth Year.

English, History, Political Economy, Chemistry, Geology and Mineralogy.

REGULATIONS.

The Degree in Arts may be obtained by following the Course, subject to the following regulations:

1. The work of the First Year will ordinarily be taken in the Courses for admission to the Faculties of Education conducted by the Department of Education through the Faculty of Education. The Second, Third, and Fourth Years will be taken under the Faculty of Arts.

2. A candidate holding a certificate of Entrance into the Faculties of Education or an equivalent certificate, may enter the Second Year, provided he has credit for not less than five of the subjects of the First Year.

3. Two years will be required in order to complete the work of the Second Year and such work will involve (a) supervision during two regular sessions, and (b) attendance at two Summer Sessions.

4. The work of the Third and Fourth Years under this plan will require at least three additional years in which attendance for two Summer Sessions is necessary.

5. Instead of completing his course under this plan a candidate proceeding to the degree is advised to attend the regular courses of instruction in the Fourth Year, in which case the fourth Summer Session is not compulsory.

6. A candidate will not be allowed to present himself for examination in any subject until he has attended one Summer Session and has had supervision of his work during one academic year.

7. A candidate proceeding to the degree shall, on or before **the first of October of each year,** submit a statement of the work which he proposes to take under supervision during the regular session.

8. A candidate will receive credit for each subject in which he secures the minimum percentage required for pass standing.

9. A candidate will not receive credit for a subject of a higher year until he has passed the examination of the lower year in the same subject. He may, however, be a candidate for examination in the work of two successive years in the same subject.

10. A candidate for the academic standing required for the Inspectors certificate shall obtain at least 50% on each subject and an average of 66% on the subjects of each year and attend the University classes during the regular session of the Fourth Year.

II. SPECIAL COURSE.—FRENCH.

A SPECIAL COURSE IN FRENCH is offered for teachers of French. The course includes pronunciation, oral and written composition, audition, and methods of teaching.

Lectures will be given in French on topics of general interest such as France, its geographical features, people, characteristics, products and industries, its municipal and parliamentary institutions, army and navy organization, the great war, its chief men in art, architecture, literature, and invention, etc.

There is no examination in this subject.

COURSES OF INSTRUCTION.

FACULTY OF ARTS.

First Year.

The subjects of the First Year, viz., English, Mathematics (Algebra and Geometry) and Trigonometry may be taken in the Faculty of Education Building, Bloor Street, in the Faculty Entrance Courses provided by the Department of Education in co-operation with the University of Toronto.
